

## Where to find my affiliate link.

Your custom affiliate link is located, after you log in, under the “links & tools” tab at the top of the back office home page.

The screenshot shows a navigation menu with the following items: Home | Programs | Links & Tools | Summary Report | Custom Reports | My Profile | Affiliate Resources | Help | Logout. A red arrow points to the "Links & Tools" tab. Below the menu, there is a breadcrumb trail: Text Links > Banners. To the right of the menu is a banner for Ron Mueller's HomeBusinessTaxSavings.com with the text: "Learn How You Can REDUCE YOUR TAXES to the Legal Minimum". To the right of the banner is a graphic with the text: "IT'S HOW MUCH YOU KEEP That Counts! Not how much you Make."

You will see the “standard affiliate link” box.

Follow the directions in the box...

The screenshot shows a box with the following text: "Media Type: Standard Affiliate Link", "URL: <http://www.homebusinesstaxsavings.com>", and "Name/Desc: Default Affiliate Program". Below this is a paragraph: "The standard affiliate link can be used in a web site, as a link in an email, offline promotions, any plain text applications or even link it to your own images or banners. When the link is clicked, we will track your clicks, leads, and any commissionable sales." Below the paragraph is a line of text: "Simply copy and paste the code below into your website or your particular application." Below this is a text box containing the URL: "http://www.kickstartcart.com/app/?af= #######" with a red arrow pointing to the "#####" part. To the right of the text box is a smaller box containing the text: "Your unique affiliate number will appear here".

NOTE: the “#####” in the image above will be replaced with your unique affiliate number in your affiliate back office.
